VI. **How do I schedule information sessions or on-campus interviews around Career Day?**

Career Day participants have the option to schedule free interview room(s) the day(s) immediately after Career Day. To schedule your interviews or information sessions during this time, or later in the semester, contact Debbie Behnfield at 303-273-3253 or dbehnfe@mines.edu. We will be advertising these in the event program guide.

VII. **Can I register on-line?**

VIII. **How do I make a payment?**

Credit Card payments are recommended through the secure credit card payment section of the online Career Day registration. Payment is due within 30 days after registration or two weeks prior to the event (whichever comes first), unless written arrangements have been made with the Career Center. Send checks to “Career Day”, CSM Career Center, 1200 16th #37, Golden, CO 80401. You will receive an email when CSM actually receives your payment. For questions on invoices, contact Jane Cain, 303-273-3233 or lcain@mines.edu.

IX. **What are the deadlines?**

- Registration will open October 20, 2015 until the event fills up, at which time it will be closed and companies will be placed on a wait list.
- The deadline for the CSM Career Day Program Guide information and ad copy is December 31, 2015. Please email ads to jeannmann@mines.edu. Companies who register after December 31st may not be included in the bound copy of the CSM Career Day Program Guide, but will be included in the CSM Career Day Program Guide Addendums, as well as the copy posted on the CSM Career Center website.
- CSM Career Day is a very popular event and fills up quickly. When this occurs a wait list is started. If a registered company cancels, the other organizations on the wait list will need ample notice to make the necessary travel and/or recruiting arrangements. Companies are considered registered upon form completion. Cancellations must be in writing. In the event of cancellation:
  1. Refunds may be given if requested in writing by the aforementioned program guide deadline. However, due to the administrative and financial costs associated with Career Day registration, a $50.00 processing fee will be retained or charged by CSM if cancelled after 30 days and/or prior to program guide deadline.
  2. If the company cancels after the aforementioned program guide deadline, additional costs are incurred by the college and only a partial (50%) refund or 50% charge will be incurred by the company. However, there would not be a refund or a 100% charge on any display ad that was printed.
  3. If the cancellation is less than 10 days prior to the event, we may not be able to fill the reserved space, in which case the full registration fee is non-refundable.
  4. If the company is confirmed, but has not paid, they would be billed for the aforementioned charges incurred.

X. **Where do I park on campus?**

Due to revised campus layout, lots, and buildings, parking for large events has changed. New lots are being used. A map of designated Career Day Recruiter parking lots will be sent to recruiters by December 15th. If you have any questions, please feel free to contact Jean Manning-Clark at 303-327-3239 or jeannmann@mines.edu.

XI. **If I am bringing materials, where is the best place to unload these?**

For unloading and loading purposes, you may park temporarily on the Southwest side of the Student Recreation Center (refer to campus map), near 17th and Elm. This is the upper level of the SRC and we will have Career Day staff and students assisting you.
