RE: Radioactive Materials License Number 617-01
CSMRI - Creekside Facility

Dear Mr. Havelick:

A January 15, 2007 letter from the S. M. Stoller Corporation signed by Steve Brinkman and written on behalf of the Colorado School of Mines Research Institute (CSMRI) was received by the Colorado Department of Public Health and Environment (the Department) on January 22, 2007. The letter explains how weather has disrupted the implementation of approved work plans at the above referenced facility. The Stoller Corporation and the School of mines are committed to completing the approved work plan as soon as reasonably possible.

The Department accepts the explanation presented and the affirmation that the approved work plans will be implemented as soon as reasonably possible. If you have any technical questions or would like to set up a meeting, please call Edgar Ethington at (303) 692-3438, or me at (303) 692-3423.

Sincerely,
