Subject: Clean Harbors

I just spoke with Jim Spaanstra, outside counsel for Clean Harbors. He said that the Clean Harbors Deer Trail facility is not a facility that takes "classified material" under State law. He said that the State agrees with this conclusion but that Adams County does not agree.

Mr. Spaanstra said that the Clean Harbors Deer Trail facility is available for accepting wastes from the CSMRI Site. He did not know the details as to the types of protections (indemnity etc.) that Clean Harbors is providing to generators in the event that Adams County wins its lawsuit and requires the excavation and removal of the offending waste from the Deer Trail facility to another facility. Mr. Spaanstra is going to ask someone at the CH legal or business units to call me so I can get the details as to the types of protections being offered by CH.
